SUPPORT THIS EVENT

Somerset Armed Forces Day is a free community event bringing together serving personnel, veterans, reservists, cadets, Armed Forces families, emergency services, charities, schools, local organisations and the wider Somerset community.

We are fundraising to help deliver Somerset Armed Forces Day and keep the event free and accessible for everyone. The day is about saying thank you, celebrating service, raising awareness of Armed Forces life, supporting veterans and military families, and strengthening the links between the Armed Forces community and people across Somerset.

Every contribution, large or small, helps us bring the community together and show support for Somerset's Armed Forces community.

If you are able to, please consider donating. www.somersetarmedforcesday.com/donate
Thank you for supporting Somerset Armed Forces Day.
